PLEASE ATTACH A COMPLETED KETTERING EDUCATION FOUNDATION GRANT EXPENSE FORM, ALONG WITH RECEIPTS FOR ALL EXPENDITURES

**PURPOSE OF REPORTS**

The Kettering Education Foundation hopes to learn from the experiences of grantees so that we can continue to improve our programs and so that we can assist future grantees as they design and implement grants. Therefore, we would appreciate your candid comments about your project. We are interested in your descriptions of both what worked for you and what did not work, as well as your assessment of why. Specific examples to illustrate your points will be most helpful.

**PROJECT SUMMARY**

Describe the needs/opportunities, which your project addressed.

What is the goal of your project?

Did you accomplish your goals? Why/Why not?

Did you have to modify your approach to achieve the original goals? Why? How?

What was best about your project?

Were there any unexpected rewards? If so, please describe them.

What were your disappointments?

**PROJECT BENEFITS**

The goal of the Kettering Education Foundation Grant program is to provide teachers with the opportunity to put creative ideas into practice in order to enrich the standard curriculum in ways that directly affect students' day-to-day educational experiences, please describe:

1. How your project enriched curriculum or improved your approach to it.
